

# Want to Party in the Caribbean this winter?

No need to travel across the country! You can even afford to bring along a group of family or friends...

Our relaxing Keyport restaurant can easily accommodate groups of up to 160 people.

Off-site catering and live steel drum music can also be arranged. It is the perfect venue for companies, church groups, community groups or anyone looking for a unique experience.

Community support is also important to us and we can assist with your fundraising efforts. Recent events included the Bremerton Party sponsored by the Rotary and Bremerton Food Line and the Harvest Meal at the Kitsap County Fairgrounds sponsored by the KCAA.

Island Jamz Caribbean Restaurant is experienced in providing the best in authentic Caribbean cuisine and entertainment.
